## 23 Chamber Membership Benefits

Our members range from individuals to large businesses and organizations. Most firms are relatively small. All members share a desire to better themselves and their companies as well as to improve the overall quality of life in our beautiful area.

Like many things, a Chamber membership is what you make of it. You can do as much or as little as you like, and indeed many members pick and choose what they participate in, as time is so precious. But **the benefits and opportunities are abundant**, including:

**Help with PR:** We would be happy to help you publicize your new product, new building, or new hire.

**A Friend in Need:** You never know when you or your business will need advice, help, or support in some way. When you're a Chamber member, you have 300+ fellow members ready, willing, and able to step forward for you.

**Monthly Breakfast Meetings:** In addition to this fun and food way to start the day, each month the Chamber brings to you a featured speaker on an important local or national topic.

**It's the Right Thing to Do:** Chamber members are people and firms that believe in taking action rather than sitting on the sidelines. They know that being a member is an investment not just in their own business, but also in the quality of life of the whole region.

**Monthly Print Newsletter:** Chamber News informs you about community and committee activities, Chamber events, new members, local business issues, company news and profiles, and statewide seminars and meetings.

**Business After Hours:** An informal social networking event hosted by a different member business each month, BAH is a great opportunity to make new connections as well as hobnob with old friends.

**Guide to the Monadnock Region:** This 125-page, biannual publication promotes the Greater Peterborough area throughout the region. As a Chamber member, you have the opportunity to advertise at reduced rates.

**Peterborough: The Currier & Ives Corner of New Hampshire:** This is our famous 24-page tourism brochure distributed in literature racks throughout New England by the tens of thousands.

**Great Advertising Opportunities:** The Chamber offers numerous paid advertising, sponsorship, and promotional venues for promoting your business within the Greater Peterborough business community.

**All-Star Networking:** Without question, the Chamber and its members provide the biggest, best, and most ongoing opportunities for networking in the entire region.

**Chamber Web Site:** The Chamber has an excellent Web site that receives hits from more than 300 distinctly separate visitors every day, meaning more than 10,000 visitors each year. Your business is on it!

**Credibility:** Your membership identifies your business as a reputable one that has an interest in the community.

**The Buzz:** There is no better way to promote your business than to be a member of the Greater Peterborough Chamber of Commerce. There's always something happening!

**More Profit:** Did we mention that the net result of all of the Chamber's benefits will be a net increase in your bottom line?

**Fun!** Chamber members will tell you that promoting their business is just one reason they participate. Another big, big reason is that our events are just plain ol' fun — great people, great activities, and great times! We're looking forward to meeting **you!**
